By Finney R.

A RESOLUTION designating April 20-26, 2008, as "Medical Laboratory Professionals Week" in Tennessee.

WHEREAS, the health of all Americans depends upon educated minds and trained hands; and

WHEREAS, the practice of modern medicine at the exacting standards we now enjoy would be impossible without the scientific tests performed daily in the medical laboratory; and

WHEREAS, maintenance of these standards and progress toward improvement in the quality of laboratory services depends on the dedicated efforts of professional clinical laboratory science practitioners; and

WHEREAS, through this dedication, the medical laboratories throughout the country have made and continue to make a vital contribution to the quality of health care; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED FIFTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE HOUSE OF REPRESENTATIVES CONCURRING, that we hereby designate April 20-26, 2008, as "Medical Laboratory Professionals Week" and urge all Tennesseans to recognize and support the vital services provided by laboratory practitioners for the benefit of all.
